

DIOCESAN YOUTH MINISTRY SCHOLARSHIP GUIDELINES

No young person should be denied the opportunity to participate in any Diocesan Youth Event for financial reasons, however

The diocese has very limited funds available and should not be counted on as supplemental tuition unless the Rector or Assistant Rector has worked out an arrangement with the Coordinator for Diocesan Youth Events.

All requests for financial assistance must come through a person's home parish clergy only. Persons needing assistance for tuition to the events must contact their home clergy if they need financial assistance.

Requests for diocesan funds may only come through the Parish Clergy. If your young person needs financial assistance, or if someone from your parish would like to offer scholarship assistance

Please contact the
Youth Missioner
for more information.
